Testimonials

"Peace Mother is the Master of Happiness, Joy and Love. She is Amazing!"

~ A. from CA, USA

"During the challenge that I was experiencing at the time, I'd reached a point where I could not pray for my own self. The more I tried...the worst things got. I was taking a beating, but not a physical one. I told God that I did not believe He would bring me this far and leave me. I told Him, 'Send help and make it come to me in a hurry!' I was somehow directed to Peace Mother's website and right away knew she was the One to pray me out of the situation I was facing. She is truly Divine Mother Grace in perfect expression reaching out to humanity in wondrous ways. She and the Peace Team took time out to get me back in balance and on the road to health, peace of mind, strength, happy thoughts, and a boldness I never knew I had, and most of all...Love."

~ E. Branch from USA

"During the time I was able to do Seva for Peace Mother and A Center for Peace and Healing, countless blessings and higher understandings came forth into my life. Through the Shaktipat Limpas I was blessed to receive, and my own desire to align with God in a greater way, I began to see major shifts in my self, my life, my home, my family..."

Truly within a year's time, looking back now, I have a great Faith in God that will not be shaken, I have reunited with one of my best friends and we are now planning a family together, my home is now a place of greater Peace and Harmony, my relations with all in my life have improved and those who were not a positive energy are no longer there... So many blessings... But really the greatest of all was to be the student and benefactor of Peace Mother's Great Love. To be able to witness a True Warrior of the Light as Peace Mother is a truly rare experience that can't help but change you for life.

Thank you all-ways Peace Mother Geeta Sacred Song - for your Devotion to God and for your Love!"

~ V. Santoshi from Arizona, USA
